SERVICES

Would you like to hire the Brewpub for your own private event? If a minimum consumption has been agreed, this must be paid in any case. If the agreed amount is not reached, it will still be charged in full. The difference cannot be paid out.

LATE NIGHT OUT

Don't want the party to stop? For private parties, we can apply for a free night for the indoor area. You can then party until 4 a.m. until even the best party has to come to an end. The permit costs CHF 150.

EXTENSION

For each employee working after 1 a.m., we charge a night surcharge of CHF 25 per hour or part thereof.

MUSIC/ DJ

We will be happy to help you find the right musical accompaniment for your event. We have a music system for playing songs as standard. If you require complete DJ equipment, we can provide this for CHF 350. Music is only permitted indoors.

TAP FEE

We charge a tap fee of CHF 35 per bottle (7.5dl) for wine you bring yourself.

CAKE / DESSERT

If you bring your own cake or another dessert, we charge CHF 4 per person.

TERMS & CONDITIONS

Please let us know the definitive number of people at least 5 days in advance.
We are happy to accept small changes in the number of people (25%) up to 2 days before the event. This number is binding and serves as the basis for the actual calculation.

In the event of a reduction in the number of people on the day of the event or no shows, we reserve the right to charge 100% of the confirmed service.

If the booking is completely canceled at short notice, we will charge the following costs:

10 to 6 days before the event 50% of the confirmed service

5 to 1 day before the event 75% of the confirmed service

On the day of the event 100% of the confirmed service

If the event has been confirmed but no service has yet been agreed, an amount of CHF 70 per person is assumed.

Brewery tours can be booked for groups of 10 or more. If there are fewer people, we can still conduct the tour but 10 people will be charged for the tour.

If on the day fewer than 10 people show up to the tour, 10 people will still be charged for.
