

MENU SUGGESTION

We are delighted that you have decided to hold an event at Volta Bräu or are interested in holding one here. We will do our utmost to ensure that you and your guests spend an enjoyable evening in our brewpub. This document contains our offer for groups from 10 to 50 people. The kebabs to barbecue yourself work just like you'd expect: we place the barbecue on the terrace for you, and when you're ready, we provide you with the kebabs for you all to grill together. Please be aware that the barbecue remains outside in winter – so wrap up warm or be sure to order a cup of tea first. We serve various side dishes alongside the kebabs. If you want something specific, or have any allergies or intolerances, then please ask us and we'll see what we can do. By the way, an exclusive brewery tour can make the perfect start to the evening. You can find two suggestions in the bonus material.

Cheers!
