

We are delighted that you have decided to hold an event at Volta Bräu or are interested in holding one here. We will do our utmost to ensure that you and your guests spend an enjoyable evening in our brewpub. The following information aims to tell you a little more about Volta Bräu and what we offer; it will introduce you to all the options and will hopefully give you a little inspiration. We will then organise everything so that you can relax and have a great time with us.

Brewpub

If you have already paid us a visit, you can safely skip this section. However, if you came across us online, via TripAdvisor, through friends or acquaintances, Facebook or another way, you should know: we are a pub with our own brewery and garden. We serve guests at the bar. This also applies to groups. You order food and drinks from our barkeepers and barmaids; you can then take the drinks with you right away, and the food will be brought to your table as soon as it's ready. Of course, we also take care of the clearing up.

Offer

If you like, you can compile an initial selection of food or drinks from our group menu. We can then suggest a reasonable menu recommendation for the size of your group and your budget. This is not obligatory, however; you can also simply decide when you arrive. In addition to our regular menu, we also offer a kebab or Weisswurst (veal sausage) menu for groups from 10 to 50 people.

Brewery

tours

Our brewing equipment is integrated into the guest area, so you are very welcome to admire it as much as you like. If you would like to learn more about our beer production and the brewing process, we would also be happy to indulge your passion for beer. Ten to twenty people can take part per brewery tour; larger groups must be divided.

Premises

Due to our room layout, we seat groups of up to 15 people at one of our long tables. Groups of 15 to 30 people are seated in a slightly separate area with multiple small tables. We are also happy to host a stand-up aperitif for up to 70 people.

Groups

For group reservations, we don't require a minimum spend or an advance booking. However, we do ask for your understanding if you and your group have to wait a little before being served at the bar or receiving your food.

If you or someone in your group is feeling particularly generous, we can also set up a group tab for you. You can restrict the selection or define a limit, and we will inform you when this is reached.

Payment

Yes, unfortunately you do have to pay us at the end. However, you can choose between cash, credit or debit card, and if your guests have already burned through your monthly salary, we can also provide you with an invoice with a grace period of 30 days. We simply need your details and a signature – you do need to have a Swiss address.

Any other business

There's not much more to say, except perhaps – talk to us! Let us know your thoughts on how you think a successful evening should look. We are always open to new ideas and are happy to help you implement them.

You can also let us know of any requests during the event itself – we might not be able to fulfil them all, but it never hurts to ask.

Let the world know if you enjoyed your visit to us. We recommend Facebook, Untappd, Instagram, TripAdvisor and good old-fashioned word of mouth. If you didn't have a good time or something wasn't quite right, please let us know – we're always trying to improve and to learn how to do things better.
